

**COMMONWEALTH OF MASSACHUSETTS
Special Town Meeting**

Middlesex, ss:

To: Constable of the Town of Ashby in said County:

Greeting:

In the name of the Commonwealth, you are hereby directed to notify and warn the inhabitants of the Town of Ashby, qualified to vote in elections and town affairs, to meet at the Elementary School Auditorium in said Ashby, Saturday, March 15, 2014 at 9:30 a.m. to act on the following articles:

Article 1. To see if the Town will approve the \$89,084,977 borrowing authorized by the North Middlesex Regional School District, for the purpose of paying costs of constructing a new District High School, to be located at 19 Main Street, in Townsend, and for the payment of all other costs incidental and related thereto (the "Project"), which school facility shall have an anticipated useful life as an educational facility for the instruction of school children of at least 50 years, and for which the District may be eligible for a school construction grant from the Massachusetts School Building Authority ("MSBA"), said amount to be expended at the direction of the School Building Committee. The MSBA's grant program is a non-entitlement, discretionary program based on need, as determined by the MSBA, and any Project costs the District incurs in excess of any grant approved by and received from the MSBA shall be the sole responsibility of the District and its member municipalities. Any grant that the District may receive from the MSBA shall not exceed the lesser of (1) sixty and sixty-three hundredths percent (60.63%) of eligible, approved Project costs, as determined by the MSBA, or (2) the total maximum grant amount determined by the MSBA; or take any other action relative thereto.

Finance Committee action: ✓ Approved ___ Disapproved ___ No Action

Article 2. To see if the Town will vote to approve the expenditure of funds realized through bid savings on the new High School Project (the "Project") by the North Middlesex Regional School District (the "District") to design and construct a maintenance facility building to be located on the site of the Project, including the payment of all costs incidental and related thereto, the approximate cost of which is expected to be \$801,350, or such lesser amount as may be available within the total

amount authorized to be expended for the Project. The District acknowledges that the costs incurred for this potential aspect of the Project are the sole responsibility of the District and are not eligible for reimbursement from the MSBA. Any vote to authorize District's expenditure of funds for this potential aspect of the project shall require the affirmative town meeting votes of each of the District's member towns.

Or take any other action relative thereto.

Finance Committee action: Approved Disapproved No Action

Article 3. To see if the Town will vote to approve the expenditure of funds realized through bid savings on the new High School Project (the "Project") by the North Middlesex Regional School District (the "District") to design and construct athletic facilities upgrades, including upgrades to the athletic fields, spectator facilities and the running track all located on the site of the Project, including the payment of all costs incidental and related thereto, the approximate cost of which is expected to be \$2,688,916, or such lesser amount as may be available within the total amount authorized to be expended for the Project. The District acknowledges that the costs incurred for this potential aspect of the Project are the sole responsibility of the District and are not eligible for reimbursement from the MSBA. Any vote to authorize District's expenditure of funds for this potential aspect of the project shall require the affirmative town meeting votes of each of the District's member towns.

Or take any other action relative thereto.

Finance Committee action: Approved Disapproved No Action

Article 4. To see what sum of money the Town will vote to appropriate from available funds to implement, and to fund the financial terms for the current fiscal year, of a collective bargaining agreement entered into by the Town and Teamsters Local #170 (Dispatchers Unit) for the period July 1, 2013 – June 30 2016; and, further, to appropriate from available funds an additional sum to provide for wages and benefits for newly-hired dispatchers for the remainder of the fiscal year; or take any other action relative thereto.

Finance Committee action: Approved Disapproved No Action

Brief Explanation: Contract negotiations are concluding with the new Dispatcher's Union, including wage adjustments which bring Ashby closer to being in line with wages in surrounding communities. Three new Dispatcher positions have been filled

and the current line item is not adequate to fund these positions to the end of the year, due to overtime already expended in covering vacant positions.

Article 5. To see if the Town will vote to appropriate from available funds, the sum of \$2,250 for tires for three (3) Fire/EMS Department vehicles; or take any action relative thereto.

Finance Committee action: Approved Disapproved No Action

Brief Explanation: The ambulance is in need of 4 new tires and the forestry truck is in need of 6 new tires capable of off-road operations. The current tires on the forestry truck are still in excellent condition, but cannot function well for off-road driving; these tires can replace the worn tires on the ambulance, which uses the same size tire. The off road utility vehicle (Kawasaki Mule), acquired thru the State/Federal excess property program, is also in need of 4 new tires and chains for off-road rescue operations.

Article 6. To see if the Town will vote to amend the By-laws of the Town of Ashby by adding the following new section, to be numbered consecutively:

COUNCIL ON AGING

Section 1. The Board of Selectmen shall appoint a Council on Aging for the purpose of coordinating or carrying out programs designed to meet the problems of the aging in cooperation with programs of the Commission on Aging established under Chapter 6, Section 73 of the General Laws.

Section 2. The Board of Selectmen shall appoint the Council on Aging consisting of seven (7) members. Upon acceptance of this by-law, the Board shall appoint three (3) members for three (3) years; two (2) members for two (2) years; and two (2) members for one (1) year terms. Members can be reappointed for concurrent terms. The members of the Council shall serve without pay.

Section 3. Whenever a vacancy shall occur in the membership of the Council, by reason of death, resignation, inability to act, or for any other reason, the vacancy shall be filled by appointment, by the Selectmen, for the remainder of the term.

Section 4. The Council on Aging at its first annual meeting and thereafter, annually in April of each year, shall elect from its membership a President, 1st Vice President, 2nd Vice President, Secretary, and Treasurer. Each officer shall hold office until the next annual election. In the event a vacancy occurs in any of the offices above, the Council shall hold a special meeting for the purpose of electing one of its members to fill such vacancy.

Section 5. The Council shall prepare and submit an annual report of its activities to the Town and shall send a copy thereof to the Commission on Aging.

Section 6. The Council may appoint such clerks and other employees as it may require.

Or take any other action relative thereto.

Finance Committee action: Approved Disapproved No Action

Brief Explanation: This by-law was adopted by the Town in 1976, but, for some reason, was never processed for approval by the Attorney General. To meet documentation requirements for the acceptance procedure, we need to start again.

Article 7. To see what sum of money the Town will vote to appropriate from "Police Wages" (specifically, the Lieutenant's allotment) to augment the amount appropriated for "Police Chief Salary;" or take any other action relative thereto.

Finance Committee action: Approved Disapproved No Action

Article 8. To see if the Town will vote to authorize the Board of Selectmen to petition the General Court for special legislation, substantially as follows, provided, however, that the General Court may make clerical or editorial changes of form only to the bill, unless the Board of Selectmen approves amendments thereto before enactment by the General Court, which amendments shall be within the public purpose of said petition:

Be it enacted, etc. as follows:

Section 1. Notwithstanding the provisions of any general or special law to the contrary, all actions, proceedings, and policies of the Town of Ashby, undertaken or adopted under the authority of MGL Chapter 32B are hereby ratified, validated, and confirmed, notwithstanding any defect or omission in the process of acceptance of the said Chapter, or any of its sections.

Section 2. The provisions of MGL Chapter 32B and any sections thereof that are applicable to past and present health insurance benefits offered by the Town of Ashby are hereby deemed to have been accepted by and to be in effect with respect to the Town of Ashby.

Section 3. This act shall take effect upon its passage.

Or take any other action relative thereto.

Finance Committee action: Approved Disapproved No Action

Brief Explanation. This is a "housekeeping" issue. Because the record of the Town's actions relative to Chapter 32B is incomplete and/or vague, a validation of the Town's related policies - utilized for decades past - should be secured, and documentation placed on the record. This "Home Rule Petition" is the appropriate vehicle to achieve that end.

Article 9. To see if the Town will vote to amend Section 5.6 of Article III of the Town By-laws by striking the word "nominate" therein, and substituting therefor the word "appoint," so that, in conformity with the provisions of MGL, Ch. 129, s. 15, the By-law shall direct that the Board of Health "...annually, in March of each year, nominate an Inspector of Animals..."; or take any other action relative thereto.

Finance Committee action: Approved Disapproved No Action

Article 10. To see if the Town will vote to appropriate from available funds the sum of \$15,000, to augment the amount appropriated for the Reserve Fund; or take any other action relative thereto.

Finance Committee action: Approved Disapproved No Action

Article 11. To see if the Town will vote to appropriate from available funds the sum of \$7,000 to augment the amount appropriated for "Highway Road Maintenance;" or take any other action relative thereto.

Finance Committee action: Approved Disapproved No Action

Article 12. To see if the Town will vote to appropriate from available funds the sum of \$2,400 to augment the amount appropriated for "Highway Barn Fuel"; or take any other action relative thereto.

Finance Committee action: Approved Disapproved No Action

This project would also include set up and support for ongoing Query Manager Online Services; or take any other action relative thereto.

Brief Explanation: Once the tax map text conversion is complete and brought to the MassGIS standards the Town can take advantage of the CAI Query Manager Online GIS Services (\$1,800 annual hosting fee) which is helping communities to share their parcel data. It enables town boards, homeowners and real estate professionals to query, browse, report, and print maps from their own computers.

Article 11. To see if the Town will vote to amend the By-laws of the Town of Ashby by adding the following new section, to be numbered consecutively:

COUNCIL ON AGING

Section 1. The Board of Selectmen shall appoint a Council on Aging for the purpose of coordinating or carrying out programs designed to meet the problems of the aging in cooperation with programs of the Commission on Aging established under Chapter 40, Section 8B of the General Laws.

Section 2. The Board of Selectmen shall appoint the Council on Aging consisting of seven (7) members, including three (3) members for three (3) years; two (2) members for two (2) years; and two (2) members for one (1) year terms. Members can be reappointed for consecutive terms. The members of the Council shall serve without pay.

Section 3. Whenever a vacancy shall occur in the membership of the Council, by reason of death, resignation, inability to act, or for any other reason, the vacancy shall be filled by appointment, by the Selectmen, for the remainder of the term.

Section 4. The Council on Aging, annually in April of each year, shall elect from its membership a President, 1st Vice President, 2nd Vice President, Secretary, and Treasurer. Each officer shall hold office until the next annual election. In the event a vacancy occurs in any of the offices above, the Council shall hold a special meeting for the purpose of electing one of its members to fill such vacancy.

Section 5. The Council shall prepare and submit an annual report of its activities to the Town and shall send a copy thereof to the Commission on Aging.

Section 6. The Council may appoint such clerks and other employees as it may require.

Or take any other action relative thereto.

Brief Explanation: This by-law was adopted by the Town in 1976, but, for some reason, was never processed for approval by the Attorney General. To meet documentation requirements for the acceptance procedure, we need to start again.

Article 12. To see if the Town will vote to endorse the following non-binding resolution:

RESOLUTION TO BAN “FRACKED GAS” PIPELINES
AND TO CHAMPION SUSTAINABLE ENERGY

Whereas a proposed High-Pressure Pipeline carrying natural gas obtained through hydraulic fracturing may come through Ashby, or neighboring communities, bringing said fuel en route to Dracut, Massachusetts to be used for electricity generation; and

Whereas said pipeline goes against current Massachusetts commitments to renewable energies and combating global climate change; and

Whereas said pipeline would destroy unknowable amounts of forest, conservation land and farmland with the installation of the pipeline and maintenance in perpetuity of a 50 foot right-of-way through the use of herbicides; and

Whereas said pipeline would destroy unknowable amounts of wetlands and the flora and fauna dependent upon Ashby’s rivers and streams, all of which have been identified as outstanding resource waters; and

Whereas said pipeline would adversely affect property values of properties within 300 feet of the pipeline as well as probable use of eminent domain to secure parcels along the pipeline route; and

Whereas a high-pressure gas pipeline, by its nature, carries the potential for leak, rupture or devastating explosion causing untold damage to property and lives; and

Whereas said pipeline has the potential to ruin wells and drinking water through blasting activities and/or leakage of methane gas; and

Whereas the cost of said pipeline would require Massachusetts citizens to pay a utility bill tariff as well as environmental costs not required by law for Tennessee Gas Pipeline Company, L.L.C. (“TGP”, a subsidiary of Kinder Morgan Energy Partners, L.P.), making ratepayers bear financial risk for the endeavors of a private corporation; and

Whereas, we the citizens of Ashby, Massachusetts choose not to participate in such encumbrances to the life, vibrancy, economic stability, and general well being to our neighbors in New York and elsewhere, wherever hydraulic fracturing is occurring and the pressurized pipeline is running; now, therefore, be it

Resolved, that the people of Ashby, Massachusetts:

1. Hereby call on our Board of Selectmen to stand in opposition to TGP's high pressured pipeline and not allow it within our town borders;
2. Oppose said pipeline, and any pipeline carrying natural gas obtained through hydraulic fracturing, within the borders of our Commonwealth; and
3. Hereby instruct our state and federal legislators and executive branch officials to enact legislation and take any such other actions as are necessary to disallow such projects that go against our commitments to life, the environment, our economic well being and our bodily safety, and, instead, to legislate more stringent energy efficiency and further exploration of and subsidies for renewable energy sources.

Or take any other action relative thereto.

Article 13. To see if the Town will vote, under the provisions of MGL, Chapter 71, Section 16 G½, to approve the establishment of a Stabilization Fund for the Montachusett Regional Vocational School District; or take any other action relative thereto.

Article 14. To see if the Town will vote to amend the Ashby Zoning By-law as follows:

- 1) Change the title of Section 9 (currently “Overlay Districts”), to “Overlay Districts and Special Provisions.”
- 2) Move subsections 4.6 (“Floodplain Districts and Boundaries”), 4.7 (“Personal Wireless Communications Facility”), 4.8 (“Rate of Development”), 4.9 (“Open Space Residential Development”), 4.10 (“Inclusionary Housing”), 4.11 (“Utility-Scale Wind Energy Facilities”), 4.12 (“Small Wind Energy Systems”) to said Section 9, and renumber said subsections, respectively, as 9.1 through 9.7.
- 3) Re-number the internal subdivisions of each of the items moved into Section 9, as above, accordingly.
- 4) Renumber the pre-existing existing Section 9.1 (“Ashby Village Center Zoning Overlay District”) as Section 9.8, and re-number its internal subdivisions accordingly.
- 5) Add a Table of Contents.

Or take any other action relative thereto.

Brief Explanation: The purpose of this warrant article is to adopt a reorganized Ashby Zoning By-law (the ‘By-law’) that places the sections of the By-law into a more logical order. No substantive changes to the provisions, dimensional or use requirements, or standards of the By-law have been made. A significant part of this reorganization is a new Table of Contents at the beginning of the Bylaw.

Article 12. The motion was made and seconded to endorse the following non-binding resolution:

**RESOLUTION TO BAN “FRACKED GAS” PIPELINES
AND TO CHAMPION SUSTAINABLE ENERGY**

Whereas a proposed High-Pressure Pipeline carrying natural gas obtained through hydraulic fracturing may come through Ashby, or neighboring communities, bringing said fuel en route to Dracut, Massachusetts to be used for electricity generation; and

Whereas said pipeline goes against current Massachusetts commitments to renewable energies and combating global climate change; and

Whereas said pipeline would destroy unknowable amounts of forest, conservation land and farmland with the installation of the pipeline and maintenance in perpetuity of a 50 foot right-of-way through the use of herbicides; and

Whereas said pipeline would destroy unknowable amounts of wetlands and the flora and fauna dependent upon Ashby's rivers and streams, all of which have been identified as outstanding resource waters; and

Whereas said pipeline would adversely affect property values of properties within 300 feet of the pipeline as well as probable use of eminent domain to secure parcels along the pipeline route; and

Whereas a high-pressure gas pipeline, by its nature, carries the potential for leak, rupture or devastating explosion causing untold damage to property and lives; and

Whereas said pipeline has the potential to ruin wells and drinking water through blasting activities and/or leakage of methane gas; and

Whereas the cost of said pipeline would require Massachusetts citizens to pay a utility bill tariff as well as environmental costs not required by law for Tennessee Gas Pipeline Company, L.L.C. ("TGP", a subsidiary of Kinder Morgan Energy Partners, L.P.), making ratepayers bear financial risk for the endeavors of a private corporation; and

Whereas, we the citizens of Ashby, Massachusetts choose not to participate in such encumbrances to the life, vibrancy, economic stability, and general well being to our neighbors in New York and elsewhere, wherever hydraulic fracturing is occurring and the pressurized pipeline is running; now, therefore, be it

Resolved, that the people of Ashby, Massachusetts:

1. Hereby call on our Board of Selectmen to stand in opposition to TGP's high pressured pipeline and not allow it within our town borders;

2. Oppose said pipeline, and any pipeline carrying natural gas obtained through hydraulic fracturing, within the borders of our Commonwealth; and
3. Hereby instruct our state and federal legislators and executive branch officials to enact legislation and take any such other actions as are necessary to disallow such projects that go against our commitments to life, the environment, our economic well being and our bodily safety, and, instead, to legislate more stringent energy efficiency and further exploration of and subsidies for renewable energy sources.

QUESTION 1: LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives on or before May 6, 2014?

SUMMARY

This proposed law would eliminate the requirement that the state’s gasoline tax, which was 24 cents per gallon as of September 2013, (1) be adjusted every year by the percentage change in the Consumer Price Index over the preceding year, but (2) not be adjusted below 21.5 cents per gallon.

A YES VOTE would eliminate the requirement that the state's gas tax be adjusted annually based on the Consumer Price Index.

A NO VOTE would make no change in the laws regarding the gas tax.

QUESTION 2: LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives on or before May 6, 2014?

SUMMARY

This proposed law would expand the state's beverage container deposit law, also known as the Bottle Bill, to require deposits on containers for all non-alcoholic non-carbonated drinks in liquid form intended for human consumption, except beverages primarily derived from dairy products, infant formula, and FDA approved medicines. The proposed law would not cover containers made of paper-based biodegradable material and aseptic multi-material packages such as juice boxes or pouches.

The proposed law would require the state Secretary of Energy and Environmental Affairs (EEA) to adjust the container deposit amount every five years to reflect (to the nearest whole cent) changes in the consumer price index, but the value could not be set below five cents.

The proposed law would increase the minimum handling fee that beverage distributors must pay dealers for each properly returned empty beverage container, which was 2¼ cents as of September 2013, to 3½ cents. It would also increase the minimum handling fee that bottlers must pay distributors and dealers for each properly returned empty reusable beverage container, which was 1 cent as of September 2013, to 3½ cents. The Secretary of EEA would review the fee amounts every five years and make appropriate adjustments to reflect changes in the consumer price index as well as changes in the costs incurred by redemption centers. The proposed law defines a redemption center as any business whose primary purpose is the redemption of beverage containers and that is not ancillary to any other business.

The proposed law would direct the Secretary of EEA to issue regulations allowing small dealers to seek exemptions from accepting empty deposit containers. The proposed law would define small dealer as any person or business, including the operator of a vending machine, who sells beverages in beverage containers to consumers, with a contiguous retail space of 3,000 square feet or less, excluding office and stock room space; and fewer than four locations under the same ownership in the Commonwealth. The proposed law would require that the regulations consider at least

the health, safety, and convenience of the public, including the distribution of dealers and redemption centers by population or by distance or both.

The proposed law would set up a state Clean Environment Fund to receive certain unclaimed container deposits. The Fund would be used, subject to appropriation by the state Legislature, to support programs such as the proper management of solid waste, water resource protection, parkland, urban forestry, air quality and climate protection.

The proposed law would allow a dealer, distributor, redemption center or bottler to refuse to accept any beverage container that is not marked as being refundable in Massachusetts.

The proposed law would take effect on April 22, 2015.

A YES VOTE would expand the state's beverage container deposit law to require deposits on containers for all non-alcoholic, non-carbonated drinks with certain exceptions, increase the associated handling fees, and make other changes to the law.

A NO VOTE would make no change in the laws regarding beverage container deposits.

QUESTION 3: LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives on or before May 6, 2014?

SUMMARY

This proposed law would (1) prohibit the Massachusetts Gaming Commission from issuing any license for a casino or other gaming establishment with table games and slot machines, or any license for a gaming establishment with slot machines; (2) prohibit any such casino or slots gaming under any such licenses that the Commission might have issued before the proposed law took effect; and (3) prohibit wagering on the simulcasting of live greyhound races.

The proposed law would change the definition of "illegal gaming" under Massachusetts law to include wagering on the simulcasting of live greyhound races, as well as table games and slot machines at Commission-licensed casinos, and slot machines at other Commission-licensed gaming establishments. This would make those types of gaming subject to existing state laws providing criminal penalties for, or otherwise regulating or prohibiting, activities involving illegal gaming.

The proposed law states that if any of its parts were declared invalid, the other parts would stay in effect.

A YES VOTE would prohibit casinos, any gaming establishment with slot machines, and wagering on simulcast greyhound races.

A NO VOTE would make no change in the current laws regarding gaming.

QUESTION 4: LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives on or before May 6, 2014?

SUMMARY

This proposed law would entitle employees in Massachusetts to earn and use sick time according to certain conditions.

Employees who work for employers having eleven or more employees could earn and use up to 40 hours of paid sick time per calendar year, while employees working for smaller employers could earn and use up to 40 hours of unpaid sick time per calendar year.

An employee could use earned sick time if required to miss work in order (1) to care for a physical or mental illness, injury or medical condition affecting the employee or the employee's child, spouse, parent, or parent of a spouse; (2) to attend routine medical appointments of the employee or the employee's child, spouse, parent, or parent of a spouse; or (3) to address the effects of domestic violence on the employee or the employee's dependent child. Employees would earn one hour of sick time for every 30 hours worked, and would begin accruing those hours on the date of hire or on July 1, 2015, whichever is later. Employees could begin to use earned sick time on the 90th day after hire.

The proposed law would cover both private and public employers, except that employees of a particular city or town would be covered only if, as required by the state constitution, the proposed law were made applicable by local or state legislative vote or by appropriation of sufficient funds to pay for the benefit. Earned paid sick time would be compensated at the same hourly rate paid to the employee when the sick time is used.

Employees could carry over up to 40 hours of unused sick time to the next calendar year, but could not use more than 40 hours in a calendar year. Employers would not have to pay employees for unused sick time at the end of their employment. If

an employee missed work for a reason eligible for earned sick time, but agreed with the employer to work the same number of hours or shifts in the same or next pay period, the employee would not have to use earned sick time for the missed time, and the employer would not have to pay for that missed time. Employers would be prohibited from requiring such an employee to work additional hours to make up for missed time, or to find a replacement employee.

Employers could require certification of the need for sick time if an employee used sick time for more than 24 consecutively scheduled work hours. Employers could not delay the taking of or payment for earned sick time because they have not received the certification. Employees would have to make a good faith effort to notify the employer in advance if the need for earned sick time is foreseeable.

Employers would be prohibited from interfering with or retaliating based on an employee's exercise of earned sick time rights, and from retaliating based on an employee's support of another employee's exercise of such rights.

The proposed law would not override employers' obligations under any contract or benefit plan with more generous provisions than those in the proposed law. Employers that have their own policies providing as much paid time off, usable for the same purposes and under the same conditions, as the proposed law would not be required to provide additional paid sick time.

The Attorney General would enforce the proposed law, using the same enforcement procedures applicable to other state wage laws, and employees could file suits in court to enforce their earned sick time rights. The Attorney General would have to prepare a multilingual notice regarding the right to earned sick time, and employers would be required to post the notice in a conspicuous location and to provide a copy to employees. The state Executive Office of Health and Human Services, in consultation with the Attorney General, would develop a multilingual outreach program to inform the public of the availability of earned sick time.

The proposed law would take effect on July 1, 2015, and states that if any of its parts were declared invalid, the other parts would stay in effect.

A YES VOTE would entitle employees in Massachusetts to earn and use sick time according to certain conditions.

A NO VOTE would make no change in the laws regarding earned sick time.

QUESTION 5. THIS QUESTION IS NOT BINDING

Shall the state representative from this district be instructed to vote in favor of a resolution calling upon Congress to propose an amendment to the U.S. Constitution affirming that 1) rights protected under the Constitution are the rights of natural persons only and 2) both Congress and the states may place limits on political contributions and political spending?

Hereof, fail not and make due return of this warrant with your doings thereon at the time and place of said voting.

Given under our hands this 8th day of October, 2014.

Chair

Michael McCallum
Clerk
