Meeting called to order at 6:04 PM

No meeting minutes to approve due to the OPM situation; minutes are in former OPM's possession. Last minutes approved are 6/17.

OPM status review- 5 submissions received on time; Colliers is the only repeat. Committee will review and score same as last time. Bring scoring back to the next meeting. Reference checks- to follow after proposals are reviewed in case we weed out one or two applicants.

Meet on 9/3 to review scoring and decide reference checks; interviews to be decided on 9/7.

Architecture firm downselect is still valid; do not need to re-do that activity. That firm was informed of the OPM re-select activity.

(Mike Bussell had to leave for fire call)

Public Comment-

- Question as to why the OPM contract is being re-bid; explained the situation to the audience.
- No minutes have been posted since the 6/17 minutes due to the OPM situation as noted above. Questions on the minutes from 6/17 were answered.
- Had the OPM submitted the bill?- Yes, a bill has been submitted. It has not been paid yet.

Next meeting 9/3 at 6:00 PM; Again on 9/9 again at 6:00 PM.

Motion to adjourn, seconded and approved- adjourned at 6:30 pm.
