**Minutes:**

**AL moved to approve** the fairly boring minutes of March 28. TF 2<sup>nd</sup>. Approved unanimously

We had an extended discussion of ATM Article 16 (Adult Use Marijuana bylaw) draft dated 4/4/18, and made many teeny tiny changes to the text.

**AL moved to approve** the combined changes made today, including the Tricia notes, the Town Counsel notes and our own brilliance to Article 16; and also to approve the changes made to Article 17 (Marijuana dispensaries). TF 2<sup>nd</sup>. Approved unanimously

**AL moved to approve** the changes to Article 18 (deleting CMR33 etc.). TF 2<sup>nd</sup>. Approved unanimously

**JH moved to approve** Articles 19 and 20 as being on the warrant and for the Planning Board to present them at the ATM. AL 2<sup>nd</sup>. Approved unanimously

FYI, Article 19 refers to the marijuana sales tax. Article 20 refers to the prohibition on public consumption.

We agreed on who would read the articles and reports. Sadly, the Exec. Sec'y appears to have neglected recording said agreements. Except she is quite, quite sure that the absent Alan Pease is going to handle Article 16. We also agreed that AP would write up a summary of the bylaws for a handout at Town Meeting. SOME of us considered passing a resolution that requires that AP be kept within town limits during April. Instead, we **unanimously approved** his re-appointment as liaison to MRPC.

**Adjourn:** 9:10
